

This week's astounding discovery is:

# Flower Finder

There are all sorts of beautiful flowers at this time of year. Explore the farm and see how many you can find.

You should discover some straight away. Others are more difficult to find, so look in long grass, beside the lade, and in other wild corners. To be a champion flower finder, write down whereabouts you found each flower.

Write down where you found this Rose.

**DO NOT PICK THE FLOWERS**

leave them for other people and animals to enjoy

# Colour the Flowers

Draw your favourite flower here

Colour-in these wild flowers
