

# This week's astounding discovery is: Beaky Business

Here's just a few of the wild birds that may see around the site, if you are sharp-eyed and very quiet. As you spot each bird, tick off the list on the back of this sheet and see how points you can score.

# Beaky Business Spotter's Sheet

1 **Robin** A friendly little bird with a red breast, who sometimes visits the picnic barn. score 10  
Where did you see a Robin?
