ENJOY & THANKS FOR SUPPORTING OUR
HERITAGE CHARITY

WHO WE ARE

Almond Valley Heritage Centre is a remarkable testament to the aspirations of a community that values its heritage. Known affectionately as Mill Farm by locals, and universally as Almond Valley, and spanning 23 acres, it is home to some of the regions most significant natural, built and cultural heritage and Scotland's only accredited rare breed farm, ours is a charity with real purpose, and a much loved community anchor organisation.

Every penny generated is invested back into our heritage work, safeguarding this site for generations to come and supporting an array of education and engagement work delivered in schools and throughout our community. Your support as a visitor goes a long way!
